Biogenic Dental Laboratory

Dental Sleep Medicine with Dr. Mark Abramson & Glennine Varga

Obstructive Sleep Apnea and its treatment with Oral Appliance Therapy will be the topic on [June 5th at the Century House Hotel in Latham, NY.](#)

Our featured speaker will be [Dr. Mark Abramson](#) DDS, ABDSM. Dr.

Abramson is a Diplomat of the AAOP, APM, AADSM, Executive Board Member of AAPMD. He has a private practice in Redwood City and a Sleep Practice in a Cardiology office in Monterey, CA. Dr. Abramson is on the faculty of Stanford University and is the developer of the FDA cleared OASYS Oral /Nasal Airway Systems.

This course will give you a complete overview of oral appliance therapy, whatever level of involvement you decide is appropriate for integration into your practice. Dr. Abramson begins his program with a discussion of airway focused dentistry and an overview of sleep terminology. His presentation will also provide attendees with information on sleep study reports, TMJ, bruxism & sleep, practice parameters for treating sleep apnea in the dental office and the effects of untreated sleep apnea on overall health, life expectancy & other medical conditions.

With that foundation information in place, Dr. Abramson will move into a more detailed discussion of oral appliance therapy, mandibular advancement device options, addressing nasal resistance & tongue positioning and the OASYS Oral Nasal Airway System.

Next on the agenda, the clinical aspects of Dental Sleep Medicine will be covered. Attendees will be presented information covering screening patients for sleep

apnea, sleep test referrals, working with physicians & sleep labs and TMJ & dental exams. Dr. Abramson will also devote time to impressions & construction bites for sleep appliances, delivery & adjustment of the appliance and addressing complications.

[Glennine Varga](#), AAS, RDA, CTA, the owner of DSM Boot Camp will be

instructing attendees in the process of Insurance Cross-Coding and Medical Billing. Glennine has been a TMD/ Sleep Apnea trainer and speaker on medical billing and documentation for over

14 years and is an active faculty member of the Pankey Institute, ADA, AGD and Spear Education's Dental Sleep Medicine courses with Dr. Steve Carstensen and Dr. John Remmers.

If you missed this program when we hosted it in October in Syracuse, you will want to be sure to attend this **7 CE program** in Latham on June 5th. Call us at (800)367-3322 to register.

Tech Tips & Techniques

3 most important features dentists look for when choosing a laboratory:

- High Quality Work
- Good Communication
- Reasonable Prices

Call Biogenic Dental (800)367-3322, we'll check off all of the boxes for you.
